

## **Workshop on “Software Development using ASP.NET”**

**(Date: 2<sup>nd</sup> – 5<sup>th</sup> November, 2015)**

**SB Soft Technologies, Noida** conducted 4 days’ Workshop on 02.11.2015 till 05.11.2015 on “**Software Development using ASP.NET with C#**” by Mr. Neeraj Pandey, Sr. Software Engineer for BSc.IT 5<sup>th</sup> Semester, 2013-16 Batch for their Live Project on Recruitment Portal in their Internship which continued till 6<sup>th</sup> Sem. For this SB Soft Technologies provided certificates to this team of BSc.IT (2013-16) batch. His valuable contribution towards helping out student’s team project made the student’s connect with him for life time. This workshop effectively generated confidence among students in developing live software in future.
